Policy # 11.0 – Discipline Policy and Procedure

Generally, Hockey Nova Scotia rules dictate the penalties and suspensions which may be levied against a player or team official for conduct on or off the ice.

Some types of conduct, whether on or off the ice, however, may warrant additional discipline or suspension. All HNS penalties and suspensions shall be considered to be minimum penalties and QCWFHA reserves the right to increase suspension beyond Hockey Canada, HNS, or HNSMC.

QCWFHA reserves the right to discipline any member and/or player of its association.

Procedures

In the event that a team wishes to suspend a player for code of conduct violations they must follow the following procedures.

1. A meeting must occur between a representative from the team, a member of the QCWFHA Executive, the player and the parent(s)/guardian(s) of the player. At this meeting the reasons for the suspension must be fully explained and agreed upon by all parties.
2. If a suspension is invoked, the Vice President of Hockey Operations must be notified and a report must be filled out and signed by both a team representative and a parent/guardian.
3. In the event that the parent(s)/guardian(s) disagree with the suspension, the matter must be escalated to the QCWFHA Disciplinary Committee.

In the event that a team wishes to suspend a member of the bench staff for code of conduct violations they must follow the following procedures.

1. A meeting must occur with all team executive members present to communicate the reason for the suspension.
2. If a suspension is invoked, the Vice President of Hockey Operations must be notified and a QCWFHA suspension report must be filled out and signed by both a team representative and the bench staff being suspended. Bench staff suspensions will be reviewed and if warranted they may be sent to the Disciplinary Committee for further review and possibly further disciplinary action.
3. In the event that the bench staff being suspended disagrees with the suspension, the matter must be escalated to the QCWFHA Disciplinary Committee.

Disciplinary Committee

The President or Vice President will chair the discipline committee. They will request one member of the Board and one individual from the Membership at Large to sit on the disciplinary committee.

The committee will meet in accordance with HNS timeline to review and investigate the complaint.

The committee reserves the right to, without prejudice, suspend immediately prior to completing their investigation.

Where warranted, the committee will forward their findings off to the Executive Committee for review prior to filing with HNS.

Policy # 12.0 – Dressing Room Supervision

QCWFHA adheres to the Hockey Nova Scotia Dressing Room Supervision Policy with respect to Female Hockey dressing rooms.

Hockey Canada (HC) and Hockey Nova Scotia (HNS) work diligently to protect all participants from all forms of Bullying, Harassment and Abuse whether Emotional, Physical or Sexual. HC and HNS consider any form of Bullying, Harassment and Abuse to be totally unacceptable and will do everything possible to prevent this behavior from taking place within all Minor and Female Hockey dressing rooms. To this end, HC/HNS will promote awareness of all forms of Bullying, Harassment and Abuse by providing Educational materials and Programs for Participants, Parents, Coaches, Volunteers and Staff members.

It is the Policy of HC/HNS that there shall be no Bullying, Harassment, or Abuse permitted whether Physical, Emotional or Sexual of any Participants in any of the HC/HNS Programs. HC/HNS expects every parent, coach, volunteer and staff member to Safeguard the Welfare of all Participants and to Protect them from any form of Violence.

To that end HNS requires all Coaches/Bench staff and member Minor Hockey Associations to provide supervision for all Minor/Female Hockey dressing rooms before, during and after all games and practices. HNS requires that Minor/Female players should be supervised at all times, HNS requires MHAs/ Coaches to follow the **“Two Deep Method”** of supervision recommended by Hockey Canada. A lone personnel member should never be in the dressing room with players at any time, especially when players are showering or changing: two adults should be present together, this is called the **“Two Deep Method”** of supervision. Supervising personnel must be members of the team staff or adults who have completed either “Speak Out” or the “Respect In Sport” for volunteers and have submitted their record checks [CAR & CRC] to their MHA. Parents of all players should be made aware of the “Two Deep Method” and avoid letting their children into unsupervised dressing rooms.

All Minor Hockey Associations within HNS are required to develop a Dressing Room Supervision Policy that supplements this HNS policy and this it is to be to be communicated to all members within that Association.

Failure to comply with this HNS Policy will result in Disciplinary action being taken by the appropriate HNS Council through the HNS Discipline Coordinator. A **First Offence** will result in a letter of reprimand being issued to the Head Coach and copied to the team’s Minor Hockey Association. A **Second Offence** will result in an Indefinite Suspension being issued to the Head Coach and an investigation being conducted by the appropriate HNS Council.

The intent of this Policy is to ensure the Safety of all participants in the Minor and Female Hockey Programs within HNS.

Policy # 13.0 – Social Media Policy

For the purpose of this Social Media and Networking Policy, the policy will encompass public communications through such internet mediums and websites as Twitter, Facebook, Instagram, LinkedIn, Foursquare and any other social media network that allows users to communicate online.

The policy will be applicable to all members of the QCWFHA, including Directors, Teams, QCWFHA members and staff, on-ice and off-ice officials, players, players' family members and supporters.

QCWFHA recognizes and appreciates the value of social media and the importance of social networking to all of its stakeholders. QCWFHA also respects the right of all Teams and Association personnel to express their views publicly. At the same time, we must be aware of the dangers social media and networking can present.

The purpose of this policy is to educate the QCWFHA Community on the risks of social media and to ensure all Teams and Association personnel are aware that conduct deemed to be inappropriate may be subject to disciplinary action by the Team or QCWFHA.

All members of QCWFHA should remember to use the same discretion with social media and networking as they do with other traditional forms of media.

QCWFHA members agree to adhere to all conditions set forth with in the Social Media Policy. It is understood that violating the guidelines set fourth within the policy will lead to appropriate disciplinary action against both parents and or child/player.

Policy # 14.0 – Tryouts and Selection Policy

All players need to be registered with QCWFHA and have paid their tryout fee before being permitted to attend tryouts. Any player who has an outstanding account balance is not eligible to participate in tryouts until those fees have been paid.

Players will be assigned a pinnie/jersey for tryouts, which they must wear during all of their ice sessions, as the number they are assigned will identify them to evaluators.

Players must attend all tryout sessions or provide a valid reason to the Head Coach for not being able to attend an evaluation session.

Evaluations will be completed by the Head Coach and independent evaluators.

Hockey Nova Scotia regulations permit a female player to try out for a minor team. Female players choosing to play female hockey will have to attend the female tryout process from the beginning and are not permitted to be part of both a minor tryout process and female evaluation process at the same time.

Once team selections have been made rosters will be posted on the QCWFHA website, but not during school hours.

Policy # 15.0 – Tryouts - Injured Player

If a player is injured and unable to participate fully in the QCWFHA try out process, their parents may apply in writing or by email, to the President of the QCWFHA for special consideration. The following process will be enacted:

- Parents must obtain and submit a doctor's certificate that details both the injury as well as the anticipated date of healthy return to the level of activity expected for all players at the level where the injured player is trying out. The circumstances behind the injury as well as the anticipated return date will be taken into consideration.
- If the player has been on the ice with the team onto which they are hoping to be placed, the coaching staff and evaluators, if applicable, will evaluate the player based on what they demonstrated during the try outs they attended.
- If the player was not able to be seen on the ice or if the coaching staff feels the player did not attend enough ice sessions to be fairly evaluated, the coaching staff may consult other coaches and evaluators who would have seen the player during the current round of tryouts. For example, a player was assessed during the AAA tryouts and becomes injured during the AA tryouts. The AA coach may consult the evaluators and coaching staff of the AAA team for assessments of the player.
- If the player was not seen during any phase of the try out process, the coaching staff, if they see the merit in doing so, may consult with the coaching staff who worked with the player in the previous year. Once all information is gathered, the coaching staff will decide on whether or not the player will receive special consideration and be placed on the team or whether the player will be released.

Policy # 16.0 – Lottery

QCWFHA is committed to a successful 50-50 lottery program. The lottery is intended to raise funds for the association and to help offset the cost of participation for the members. The association will use lottery proceeds to offset a portion of the operational expenses and to provide the members with a strong development program. Members benefit directly from the lottery by way of reduced membership fees and a direct reward based on individual lottery ticket sales.

Lottery Schedule

1. There will be 24 lottery draws.
2. The date for the first draw will be set before the season starts.
3. Draws during the Christmas holidays will be scheduled based on what day of the week Christmas and New Year's occur

Player and Team Rewards

Each player will earn 35 cents for each ticket sold which is held in a kitty for use the following season.

1. Kitty funds will be applied to registration costs and then rep fees.
2. Players may elect to use excess kitty funds for an athletic or educational purpose. QCWFHA will pay the supplier directly or a player may purchase an item and submit an expense form to QCWFHA for reimbursement.
3. Players can apply for funding from their kitty by submitting a request to QCWFHA Treasurer.

Role of the Player

Each player is required to sell 10 tickets per week; the equivalent of 250 tickets or \$500.00 in sales volume for the season.

1. This minimum requirement is not reduced for players within a family of multiple players.
2. Players may elect to withdraw from participation in the lottery by paying \$250.00 to QCWFHA. This is in addition to: registration fees, rep fees, and any team fee.
3. Players who fail to meet the required 125/250 tickets or \$250.00/\$500.00 sales volume threshold will be required to pay the shortfall to QCWFHA. QCWFHA will recover the shortfall by reducing the player's kitty balance by 50% of the amount of the shortfall. For example, a rep player who sold \$420.00 in tickets is short \$80.00 in sales. This player's kitty will be reduced by \$40.00.
4. Should the kitty balance be insufficient to cover the shortage, the remaining balance will be added to the player's account.

Role of the Team

1. Teams are not required to appoint a ‘Lottery Rep’, but the team manager and coaches are expected to take an active and supporting role with their players’ participation in the lottery.
2. Team Managers are to ensure that each team member’s parent has been given a copy of this policy.

Sales and Kitty Tracking

1. Families with two or more players in QCWFHA are encouraged to consolidate all ticket sales under one player’s name.
2. Each player will be identified by the family email address that was recorded during the registration process.
3. Players, who are part of a multi-player family, are considered to be in compliance of the minimum sales requirement, if one member of the family has sufficient sales volume to cover all players in that family. For example: One member of a family with three players has sales of \$1500 and the other two players have not recorded any sales. QCWFHA would consider each of the other two players to have met the sales requirement.
4. QCWFHA will report sales and kitty balances to each player weekly. Players can request a report of their kitty balance at any time.

Collection Office

1. The lottery collection office is located in the Antigonish Arena Board Room and will open from 12:00PM – 4:00PM each draw date. Changes to the times or locations will be posted on the website and communicated in an email broadcast.
2. We are unable to accept pennies, nickels, dimes or quarters.

Ticket Control

1. Sellers are expected to treat their assigned tickets like cash.
2. QCWFHA will record all ticket numbers issued to each player.
3. QCWFHA will record the number of sold tickets submitted each week.
4. Sellers will be required to return any un-sold tickets during the final collection period.
5. QCWFHA will reconcile the number of tickets issued, the number of tickets sold and the number of unsold tickets returned.

6. The seller will be responsible to reimburse QCWFHA for any discrepancy between the amount of sold and returned tickets compared to the number of tickets issued.
7. Each missing ticket will be valued at \$1.60.
8. There will be no kitty allocation for payment of missing tickets.
9. Proceeds from missing tickets will be allocated to the following season's 1st

Policy # 17.0 – Fundraising

Teams can apply to the QCWFHA Executive with fundraising requests. No fundraising is permitted until approved by the QCWFHA Executive.

Practice times will be assigned by the Ice Coordinator such that considerations for player age, player travel times, and other ice time conflicts are addressed. The Ice Coordinator will review the ice schedule with all Board members to ensure there are no conflicts and ice is fairly distributed.

All teams have the right to purchase ice times for extra games and practices above set limits when ice is available. This time must be booked through the Ice Coordinator.

Should a team qualify for Provincials or “Day of Champions” QCWFHA will provide a reasonable amount of additional ice time.

- Games Ice should be assigned using the following order of priority:
 1. Tournament Games
 2. Playoff Games
 3. League Games
 4. Exhibition Games

Procedure:

1. Teams will provide ice coordinator with league schedules as early as possible.
2. Ice Coordinator confirms ice availability with facilities. Checking for conflicts with non QCWFHA teams and other events.

3. Once Ice Coordinator has all requirements, he/she will add them to the schedule (This is normally two weeks in advance), taking into consideration travel times of visiting teams.
4. Once draft schedule is complete it is sent to for review (Monday Morning) with their teams/groups and change requests are sent back to Ice Coordinator. Teams have until Wednesday at 9:00PM to request changes.
5. After this the only changes that will occur with the ice will be for cancellations.

Policy # 19.0 – Non-Family Member Coach Expenses

Non-Family Member coaches can claim expenses for travel to games and tournaments using the criteria below. These claims should be submitted on a monthly basis with the final claim submitted no later than April 15th of the current hockey season.
